## THE TEACHING

The teaching takes place from September to July and offers courses at different levels:

- Training courses
- Specialized courses
- Supplementary modules
- Thematic workshops

In order to guarantee a successful learning and high profile, the educational programs are up to date and focussed on the evolution of the profession and the presence of additional modules allow customized training courses according to the student's needs

Furthermore to potentiate the training offer and stimulate the creativity of our students, the school organizes parallel activities:

- "Evenings at Csf" as a moment of knowledge exchange where you can meet authors, and attend presentations of their work
- Travels abroad and photo reportage.
